Grade 3 - Pattern 2 WRP	1 Buckle sponsored by WRP to the highest score in
Grade 4 - Pattern 6 NRHA	grade 3+4

COVID-19

The situation is good and under control in Denmark and as it looks now there should be no problem for the show to run with normal spectator crowd and no restrictions on number of participants.

It is expected that the majority of the danish population is vaccinated at this time.

Depending on the situation in Europe at the time, we will determine if it's mandatory to show up with a negative corona test.

We are working on getting a testing booth at the show grounds, also to ease the journey back for all participants.

Further information for possible restrictions for traveling into Denmark from Europe will be posted in the end of June

EHV1:

There has been very few cases earlier in the year in Denmark, but the situation is under control and all shows are open.

There are no vaccination demands, but depending on the situation in the rest of Europe, show management reserves the right to demand a negative PCR test for Herpes (under 5 days old at arrival)

Final decision regarding this matter will be posted in the beginning of July.

The show management will continuously send out updates regarding these matters to all the participants.

Stay posted on our FB side.
